I am also trying to charter a bus service that would depart Greensboro airport approximately every hour on Wednesday (October 26) and Sunday (October 29). The cost for this would be approximately \$10 each way. In order to do this I will need you to email me with your name, airline and flight numbers, and both arrival and departure days and times. Please email this to me ASAP at [treasurer@nasss.org](mailto:treasurer@nasss.org) if you are interested in the bus service. I will confirm the pick up times via email at the end of September.
