

## Call for Papers and Posters

North American Society for the Sociology of Sport  
Vancouver, Canada, November 1-4, 2006

Re-Imagining Community/Re(En)Visioning Sport

**Submission Deadline: 15 July 06**

Message to Session Organizers:

On behalf of the Program Committee, I would like to thank you for submitting a session proposal to the 2006 NASSS conference. We have now received over 50 sessions on a broad array of topics and will soon be accepting submissions for paper and/or poster abstracts. As a Session Organizer, you will play an integral role in the ultimate success of the program at NASSS 2006. Thus, I would like to outline the expectations for Session Organizers. As abstracts are submitted to the NASSS website, the Program Chair will be able to access each abstract and forward it to the appropriate session organizer. As in the past, session organizers will retain the responsibility of deciding which abstracts to accept for their sessions.

When abstracts are forwarded to you, you should decide if an abstract is appropriate for your session based upon the criteria outlined in your session proposal. When you decide which abstracts you will accept, it will be your responsibility to notify authors of their acceptance as well as to forward that acceptance to the Program Chair who will send a formal letter of acceptance. It will also be your responsibility to decide how many abstracts you will accept for your session (sessions typically include three presenters). Once you have received enough abstracts to complete a session, please forward the following information to the Program Chair no later than August 15:

- Title of Session
- Name of Session Organizer
- Name of Session Presider
- Name(s) of Presenter(s) and Title(s) of each paper to be presented in addition to abstract of each presenter, in the order in which they will be presented
- Please indicate if there will be specific audiovisual aids needed by presenters in your session (e.g., vcr, overhead, etc.)

If you receive more abstracts than you are able to include in a session, you may wish to add another session with the same theme. If you are interested in doing that, please notify the Program Chair as soon as possible to be sure that we will be able to accommodate additional sessions. If you do not wish to organize an additional session and/or there are abstracts that do not fit into your session(s), please return them to the Program Chair as soon as possible so that a decision can be made as to whether they can be placed in a different session.

Many thanks for your contribution to the program at NASSS 2006.
