2nd Message to Session Organizers:

As we near the deadline for abstract submissions, I wanted to thank you again for your willingness to organize a session for the 2006 NASSS conference in Vancouver. In addition, I would like to reiterate several points that will facilitate the process of finalizing our plans for the conference. Hopefully by now you have received abstracts that you are able to consider for your session. If you have not yet received enough abstracts to fill your session(s), be assured that we will probably receive quite a few more in the remaining days before the deadline. In addition, there are a number of single submissions that have not been forwarded to session organizers, so there are additional abstracts that may be forwarded to you within the next few weeks.

Here are several things to keep in mind as you finalize your sessions:

1. All abstracts must be submitted via the NASSS website:
<http://nasss.org/2006/submissions.php>
If for any reason abstracts have been sent directly to you, please remind those who have submitted them that they still need to submit abstracts directly to the above site.
2. Each person whose abstract is accepted must be a member of NASSS, so please remind people whose submissions you have accepted that they need to be members of NASSS.
3. Registration and hotel accommodations need to be made as soon as possible and can be made by going to the following: <http://nasss.org/2006/registration.html>
4. The submission of your full session needs to be made via the NASSS web site by July 22 if possible. Please be sure to include all information as you wish for it to appear in the program as we will be including it in the program as you submit it. You will be prompted to include the following information:
 - Title of Session
 - Name of Session Organizer
 - Name of Session Presider
 - Name(s) of Presenter(s) and Title(s) of each paper to be presented in addition to abstract of each presenter, in the order in which they will be presented
 - Please indicate if there will be specific audiovisual aids (e.g., vcr, overhead, etc.)

If you have any questions about the process of submitting your session, or if you wish to discuss anything about the abstracts you have received, feel free to contact me as follows: Work: 419-372-6927 or via Email: nspencr@bgsu.edu

I look forward to receiving your completed sessions and again, thank you for contributing to NASSS by agreeing to organize a session.

Sincerely,

Nancy E. Spencer, program chair
